**RE: Ros Gregor Trail parkrun - launching 12 October 2019**

Dear Guy,

We would like to invite Lanskey Constructions to attend the launch of our new parkrun event in Nanango - Ros Gregor Trail parkrun.

The contribution Lanskey Constructions have made to Ros Gregor Trail parkrun will allow many people in the community to join in our free 5km timed walk, run or jog. A parkrun for the community of Nanango will also open up limitless opportunities for people to become involved in volunteering.

If you or any of your staff wish to register and participate on the day, you can do so here: <https://www.parkrun.com.au/register/>

If you have any questions, please don't hesitate to contact myself or Therese Woodward (0421194504 or [Big\\_Bird321@hotmail.com](mailto:Big_Bird321@hotmail.com)).

Healthy regards,
