Dear Steve, Tony and the team at Lanskey Constructions,

Thank you for your incredible support!

Your amazing fundraising efforts at the inaugural Lanskey Constructions Charity Golf Day 2020 has raised **\$6,360** which will enable children at Perth Children's Hospital to live their healthiest and happiest lives.

Your support helps make life easier for children and their families by providing the funds for innovative technology and equipment, ground breaking research, innovative training and education programs, investments in world class expertise and important projects that enhance patient and family experiences at Perth Children's Hospital.

We are very fortunate to have a world class paediatric facility like Perth Children's Hospital and a team of highly skilled and dedicated medical staff. Our work though is never done and demand for funding continues to grow.

Thank you again for wonderful support as we pursue our mission of helping to transform the health care of WA's sick children and young people, so they can live their healthiest and happiest lives.

Yours sincerely
